LogiLink®

LED Night Light
with Twilight Sensor

Art. No.: **LED013**

Auto illumination for safer home at night

The LogiLink Night Light emits pleasant warm white light and provides orientation in the dark. With twilight sensor, the light is automatically switched on during darkness, perfect for bedroom, baby room, kitchen, staircase or dark hallways.

2700K Warm White	Two-stage Lighting	Twilight Sensor	Energy Saving	Euro Plug	IP20

2 Levels Brightness

Set your desired lighting for different occasions.

Flat and Ultra-Slim Design
